

# AUTOMATION GROUP

## Company OVERVIEW

“We have used GT AutomationN for over 4 years. Every project that we have given them has been ahead of schedule, below the estimate, and done with as good of customer service as I have ever experienced. We would strongly recommend GT to anyone who needs a full service machine shop.”- Customer

### Company PHILOSOPHY

Thank you for your interest in GT Automation Group.

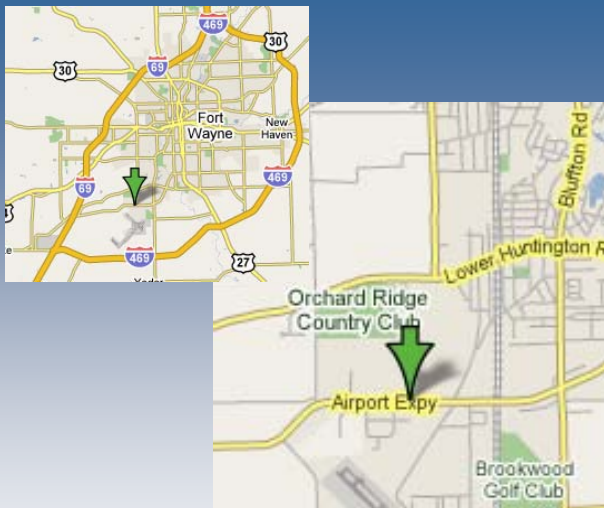

Whether you are a Customer or a Vendor we value our relationships as they are integral to our ability to meet our strategic goals, which include being the vendor of choice for our customers, the employer of choice for our people and a valued customer to our vendors.

GT AutomationN’s goal is to provide high quality and service excellence to customers with needs for Automation, Precision Machining and Dedicated Manufacturing.

We have one plant in Fort Wayne, Indiana, where our employees are ready and anxious to meet your needs and strive to always exceed your expectations.
